The following investigation was conducted by
SA [REDACTED]:

AT DALLAS, TEXAS

On March 30, 1981, the Reverend C. V. Westapher, [REDACTED] Dallas, Texas, telephone number [REDACTED] stated he recalled Mr. and Mrs. John Hinckley as being "parish leaders" in the St. Michael and All Angels Episcopal Church, 8011 Douglas Avenue, Dallas, Texas, and he recalls they were often accompanied by their two "attractive" children, a boy and a girl. He stated he never knew the Hinckleys' son and can recall nothing about his personality, accomplishments, or reputation. He stated he recalls Mr. and Mrs. Hinckley as being "upstanding" citizens who appeared to represent typical "conservative" tendencies. He stated the family left Dallas during 1973 or 1974 and that he has heard nothing from or about them since that time. Father Westapher specifically added he is aware of nothing derogatory concerning any member of the Hinckley family and, when he heard the name John Hinckley in association with the individual who allegedly shot the President of the United States and others on March 30, 1981, his first reaction was that it "couldn't be" any relation to the John Hinckley family he knew in the late 1960's and early 1970's.
